

For the Boise Location

Parking

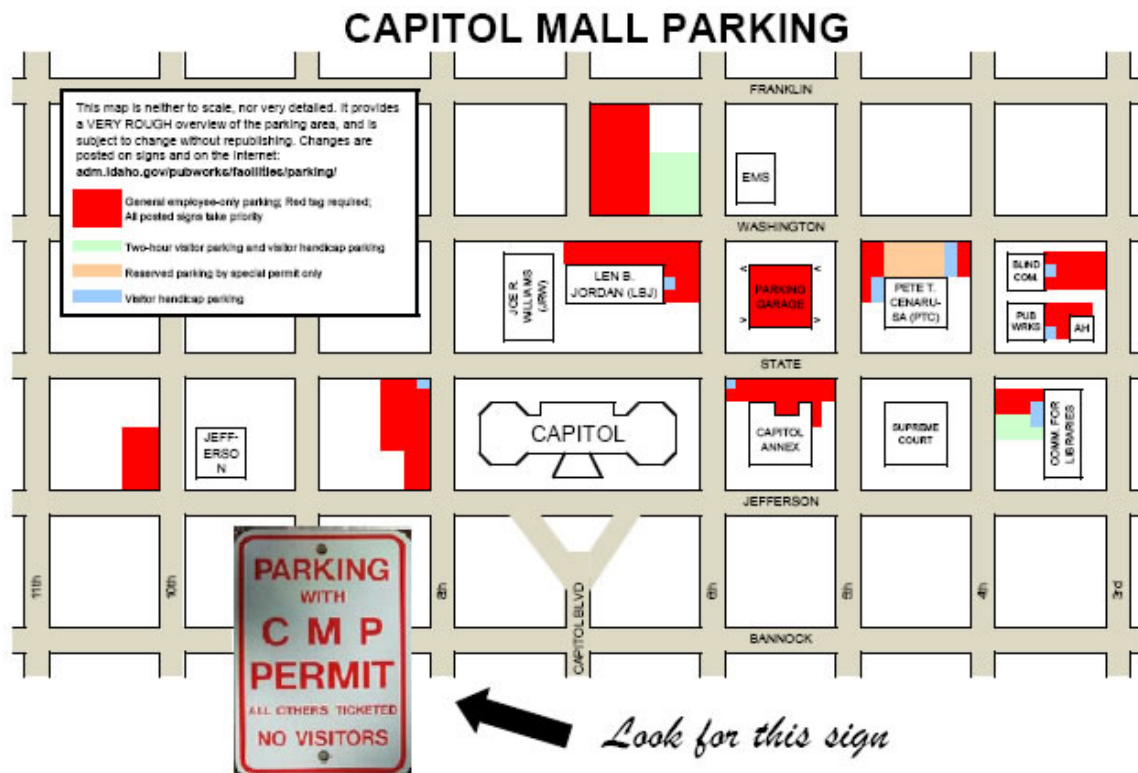

Please carpool, parking is limited around the Capitol Mall area.

There are a very limited number of visitor parking permits available, go to; http://adm.idaho.gov/pubworks/facilities/parking/short_term_temps.htm to request a permit. To apply you must give the building name which is the Len B Jordan (LBJ) and the room which is the Barbara Morgan Conference Room. Please apply only for the date you will be attending to free up space for others. Please read and understand the rules that will come with the temporary parking permit.

There is two hour visitor parking north of the Len B Jordan building. It is tightly enforced and to avoid a ticket you will need to move your car after two hours.

There is open street parking north of the Capitol Mall area, but spaces are limited and some times hard to find.

There is metered parking throughout the Capitol Mall area and city run parking lots available at daily rates (see the following pages for the Downtown_Boise_Parking.PDF for contact information for availability)
